To whom it may concern,

This letter is in regards to Perpetual Rhythms Entertainment Services - DJs and Dance Studio.

We have hired Ron Finlay owner of Perpetual Rhythms to be the disc jockey and master of ceremony at our wedding. I would recommend him to anyone getting married because he provides a one of a kind type of service. Mr. Finlay is not only a disc jockey and MC, he has also helped coordinate how the reception is going to run and designed a lighting scheme for it. His lighting equipment is like none other. After our first meeting we felt a great amount of relief due to the fact we knew we no longer had to worry about how to structure the evening and we knew that the setup would be perfect.

Ron is very enthused about being a part of the wedding and has made it clear to us that he will do what ever it takes to make our wedding day special and a day to remember. We went in for a meet and greet and to decide on what we wanted and we ended up planning all the music for the ceremony and some for the reception which was a great experience.

He also was able to give us some very useful demonstrations of lighting in his dance studio to help us make decisions on the setup.

Mr. Finlay is extremely professional and reliable. Any time we have had questions he has responded in less than twelve hours. He has helped us in ways our other vendors have not. We have told him things that we would like to include in our wedding and he has been nothing but supportive. He takes our ideas and implements them in ways that are unimaginably creative.

We would highly recommend Ron Finlay and Perpetual Rhythms for any event.

Sincerely,

Brandon Ponting and Stephanie Micheau
